

MSCIT-Master of Science in Information Technology
Semester-1

Subject Code	Program Name	Subject Name
MSC23I10 1	MSCIT-Master of Science in Information Technology	Object Oriented Programming with C++
MSC23I10 2	MSCIT-Master of Science in Information Technology	Mathematical Foundations of Computer Science
MSC23I10 3	MSCIT-Master of Science in Information Technology	Essentials of Information Technology
MSC23I10 4	MSCIT-Master of Science in Information Technology	Data Structure through Algorithms with ~C~ •
MSC23I10 5	MSCIT-Master of Science in Information Technology	Operating System (with Linux as Case Study)
MSC23I10 6	MSCIT-Master of Science in Information Technology	Programming Lab C++
MSC23I10 7	MSCIT-Master of Science in Information Technology	Data Structure through Algorithms ~Lab~ •

Semester-2

Subject Code	Program Name	Subject Name
MSC23I20 1	MSCIT-Master of Science in Information Technology	Java & HTML
MSC23I20 2	MSCIT-Master of Science in Information Technology	Computer System Architecture
MSC23I20 3	MSCIT-Master of Science in Information Technology	RDBMS & ORACLE
MSC23I20 4	MSCIT-Master of Science in Information Technology	Program Based Numerical Analysis
MSC23I20 5	MSCIT-Master of Science in Information Technology	Computer Network & Data Communication
MSC23I20 6	MSCIT-Master of Science in Information Technology	Programming Lab - Java & HTML
MSC23I20 7	MSCIT-Master of Science in Information Technology	Programming Practice
MSC23I20 8	MSCIT-Master of Science in Information Technology	Common Software
MSC23I20 9	MSCIT-Master of Science in Information Technology	Seminar

Semester-3

Subject Code	Program Name	Subject Name
MSC23I301	MSCIT-Master of Science in Information Technology	AI & Expert System
MSC23I302	MSCIT-Master of Science in Information Technology	Introduction to .Net Technology
MSC23I303	MSCIT-Master of Science in Information Technology	Software Engineering
MSC23I304a	MSCIT-Master of Science in Information Technology	Data Mining & Warehousing
MSC23I304b	MSCIT-Master of Science in Information Technology	Advanced Computer Architecture
MSC23I305a	MSCIT-Master of Science in Information Technology	Mobile Communication
MSC23I305b	MSCIT-Master of Science in Information Technology	Artificial Neural Network & Fuzzy Logic
MSC23I306	MSCIT-Master of Science in Information Technology	Programming Lab
MSC23I307	MSCIT-Master of Science in Information Technology	Programming Practice / Mini-Project
MSC23I308	MSCIT-Master of Science in Information Technology	Common Software / Mini-Project
MSC23I309	MSCIT-Master of Science in Information Technology	Seminar
MSC23I304a	MSCIT-Master of Science in Information Technology	Data Mining & Warehousing
MSC23I304b	MSCIT-Master of Science in Information Technology	Advanced Computer Architecture
MSC23I305a	MSCIT-Master of Science in Information Technology	Mobile Communication
MSC23I305b	MSCIT-Master of Science in Information Technology	Artificial Neural Network & Fuzzy Logic

Semester-4

Subject Code	Program Name	Subject Name
MSC23I401	MSCIT-Master of Science in Information Technology	System Development Project (System Design & Implementation)
